Supporting Evidence: This officer met with Mr. Sprauer on July 19, 2016, and directed him to go to The Center the following day (July 20, 2016) to complete a makeup urine test as he had failed to go to the facility on July 19, 2016. He failed to provide the urine sample as directed.

Standard Condition # 9: The defendant shall not associate with any persons engaged in criminal activity, and shall not associate with any person convicted of a felony, unless granted permission to do so by the probation officer;

Supporting Evidence: On July 8, 2016, this officer attempted to contact the offender at his trailer. A marijuana grow was observed in a greenhouse next to the defendant's trailer. The owner of the property advised the grow was his and he did not have a medical marijuana card nor did he have a license to grow the plants. The owner confirmed several people living on the property in other trailers are convicted felons. The owner advised he wanted the offender to move out of the trailer and leave the property.

Later that day, this officer spoke with Mr. Sprauer on his cellular phone and told him he could not reside or stay at the property due to the marijuana grow, the other felons living on the property, and the owner wanting him to move from the home.

On July 19, 2016, this officer contacted the offender at the property where he has been staying in a trailer. This officer observed the marijuana grow was still active in the greenhouse next to the trailer where the offender has been staying. He confirmed the other convicted felons were still living on the property. He again was told to vacate the property.

You shall allow reciprocal release of information between the supervising probation officer and treatment provider. You shall contribute to the cost of treatment according to your ability.

Supporting Evidence: The offender's counseling services were terminated at Catholic Family Services on or about January 22, 2016, due to having insurance through his employer. Since this time, he has had several occasions to complete another mental health assessment and any recommended treatment. The offender scheduled an assessment for July 7, 2016, at Catholic Family Services, but did not show up for the evaluation.

- 6 **Standard Condition # 5:** The defendant shall work regularly at a lawful occupation unless excused by the probation officer for schooling, training or other acceptable reasons.

Supporting Evidence: Mr. Sprauer quit his job on February 27, 2016, and since that time he has not been gainfully employed. He has worked odd jobs for friends, but has not been employed full time nor is he attending schooling or other acceptable training.
